

# Proposal for Hosting Nano-satellite Symposium, Mission Idea Contest, and UNISEC-Global Meeting

October 21, 2022

**Sudip Bhattra**  
**UNISEC Nepal**

# Contents

Please put logo of your Local Chapter into the slide master.

- When
- Where
- Who
- Why
- What
- How
- How many, How much

# When

Please put logo of your Local Chapter into the slide master.

- Which year? 2028
- Which month? **November 21-24**
- Milestone
  - When will you start preparation? **2026 NSAT**
  - Until when, will you do what? (how many months before the event)
    - **Call for papers 12 months before the conference**

# Where

Please put logo of your Local Chapter into the slide master.

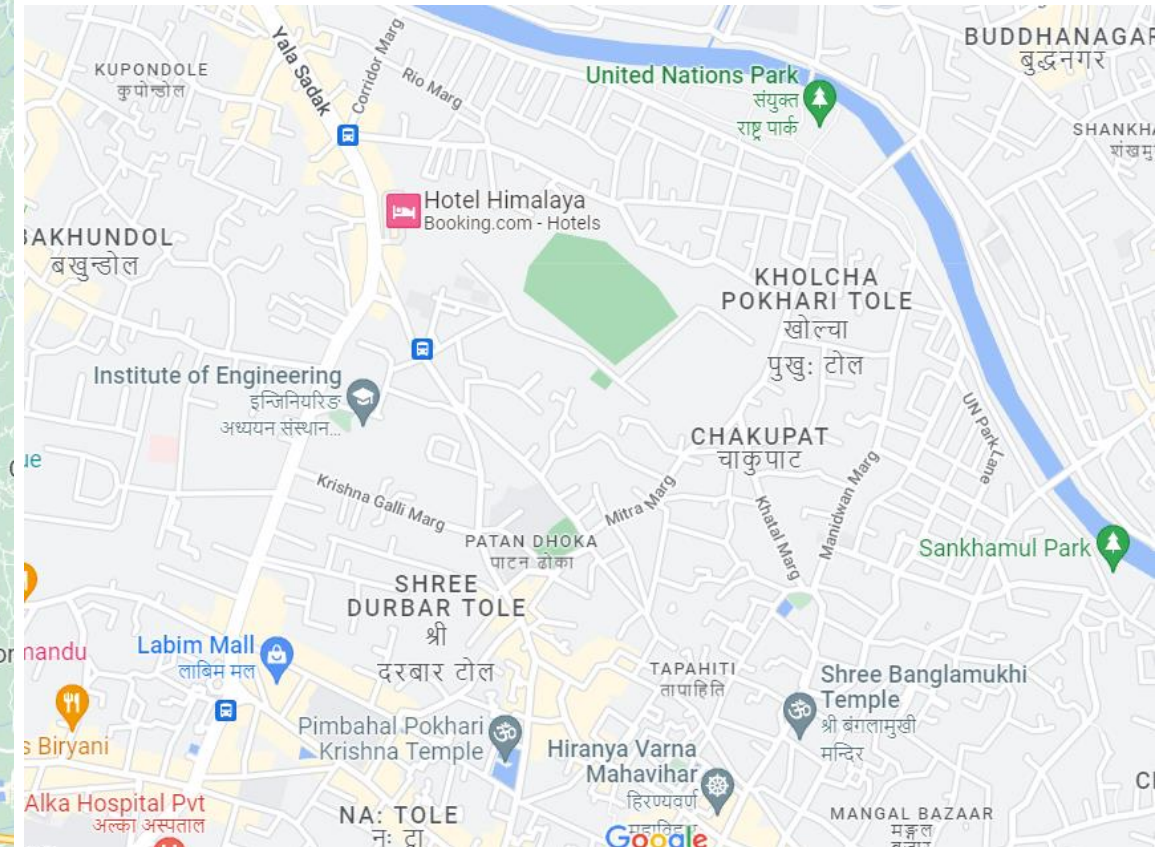

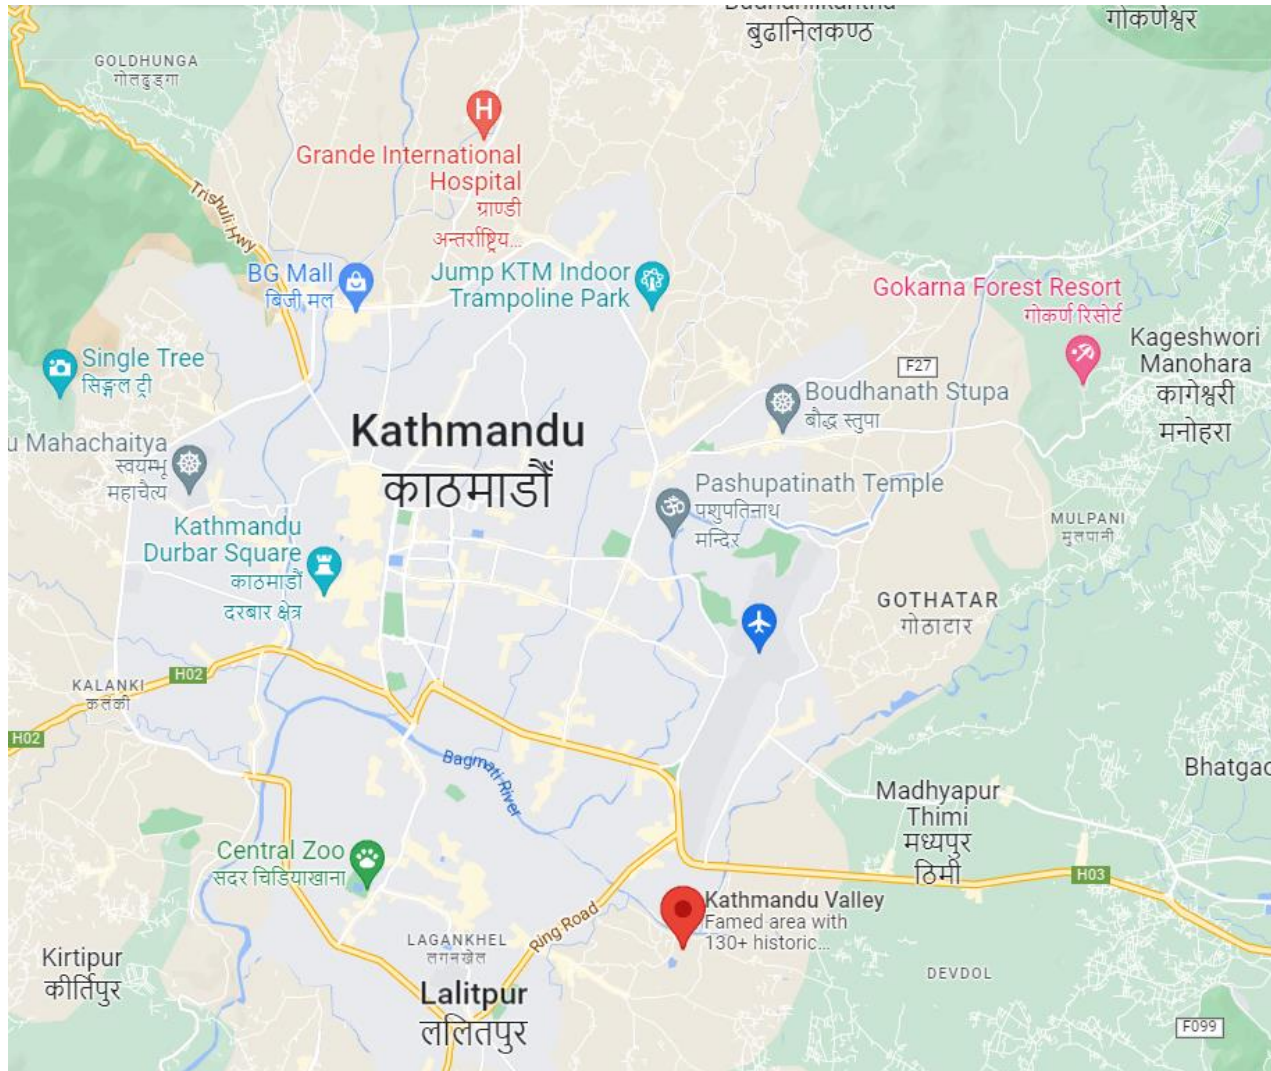

- Which city? Lalitpur district, Kathmandu valley
- Which place?
  - **A hall for plenary**
  - **Several small rooms**
  - **Laboratory (university) tour**
  - **Lunch place**
  - **Party place**
  - **Gala dinner**
  - **Excursion in Nagarkot**
  - Accommodation for Keynotes and delegates

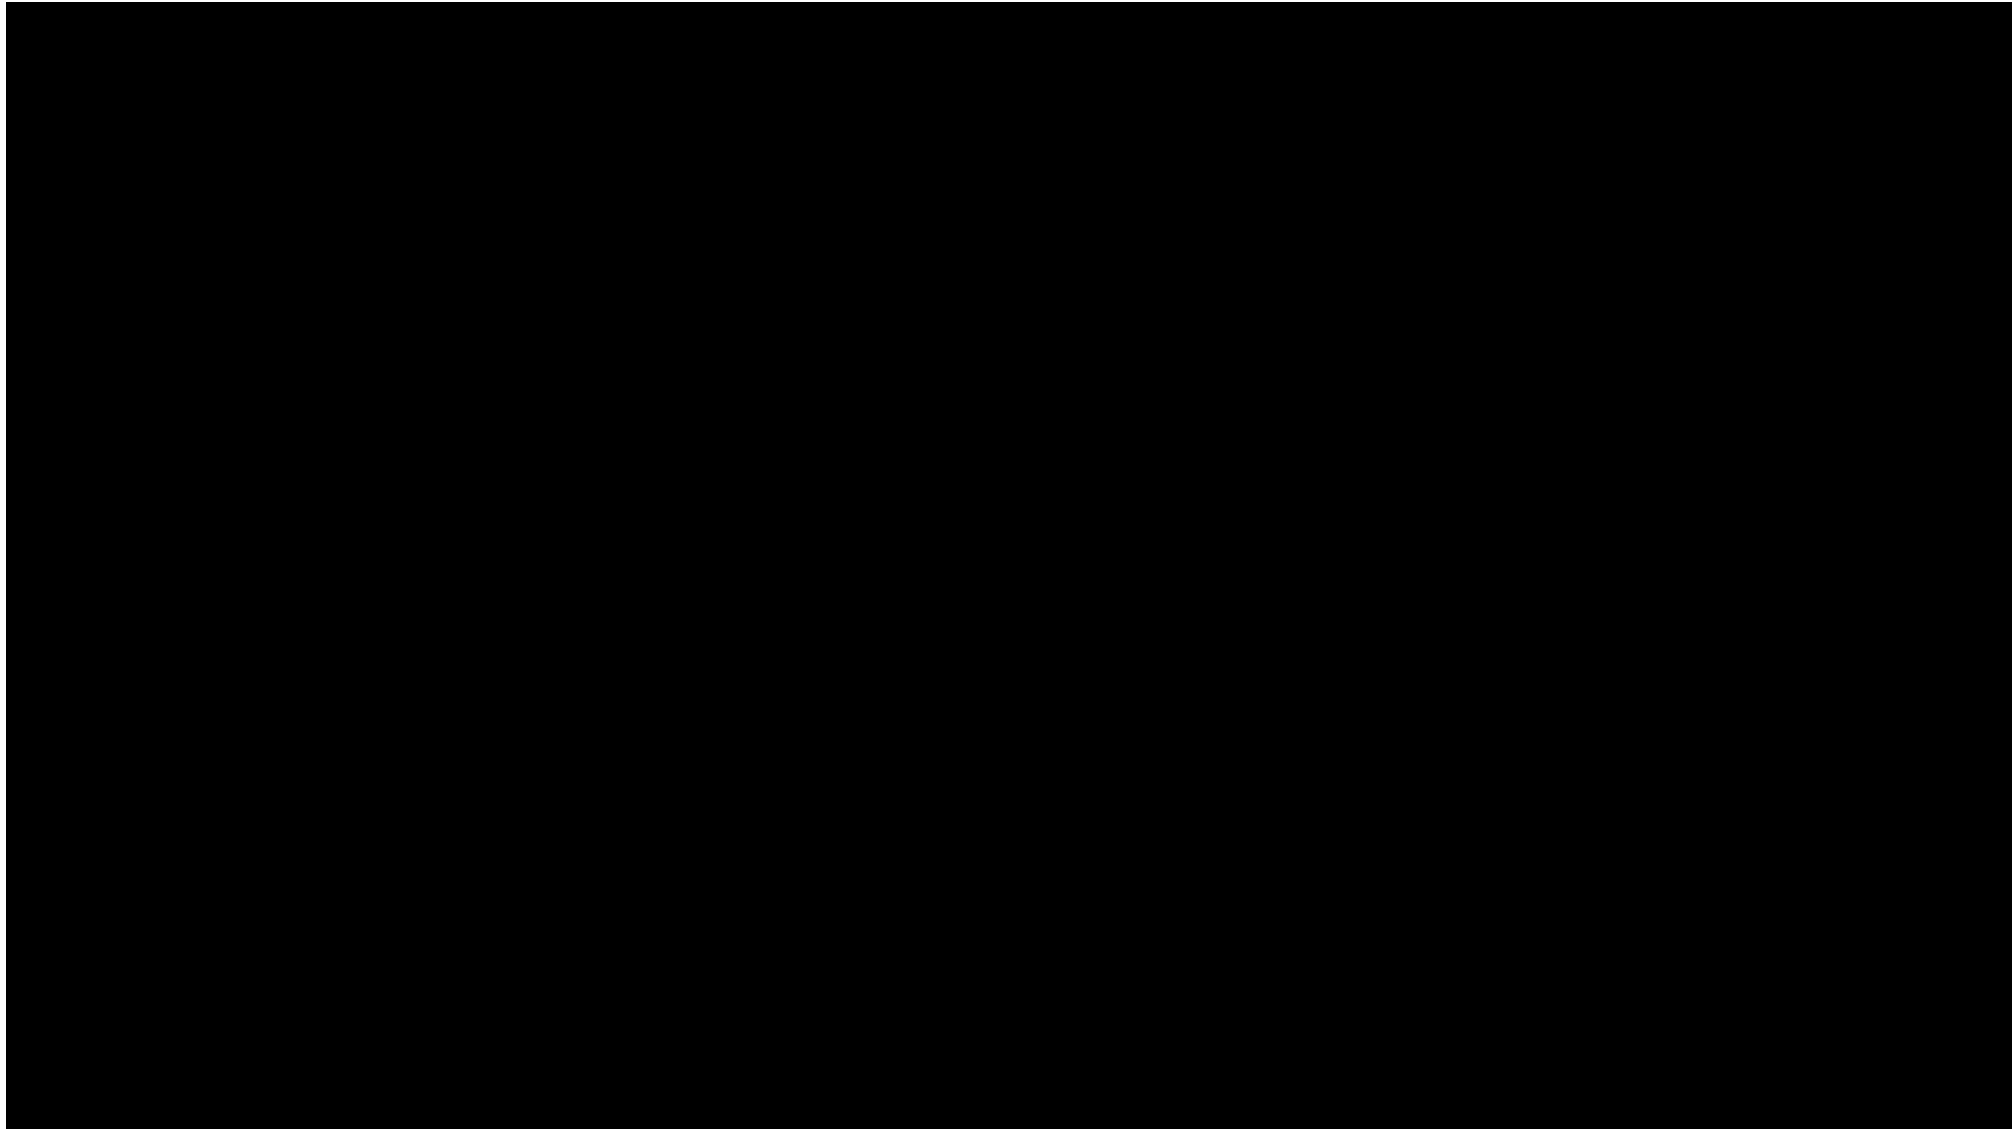

# Where

Please put logo of your Local Chapter into the slide master.

# Where

Please put logo of your Local Chapter into the slide master.

# Who

Please put logo of your Local Chapter into the slide master.

- Local Organizing Committee – DMAE, IOE Pulchowk
- Local Sponsors – IOE and MoEST, with UGC
- Conference staff -- trained students
  - Registration, Badge distribution, VIP guide (registration desk), **conference mascot**
  - Approach guide --- All escorted by volunteers
  - Stand/exhibition setup and break timekeeper (exhibition area)
  - Presentation support, microphone runner, presentation file collection,
  - preparation for WEB, photos and SNS upload
- Issuer of an invitation letter --- By conference organizing committee

## VETOMAC 2022

Welcome to the website of the 17th International Conference on Vibration Engineering and Technology of Machinery (VETOMAC 2022).

### About the conference:

The first International Conference on Vibration Engineering and Technology of Machinery (VETOMAC) was organized at IISc Bangalore, India, in the year 2000 with the intention of encouraging scientific and technical cooperation and exchange across the globe. This forum is held every year to activate not only scientific and technical communication/interaction among members. The VETOMAC 2022 will be held at the Institute of Engineering, Pulchowk Campus, Nepal, on December 15-17, 2022. This conference is the seventeenth in the series of annual symposia that started in Bengaluru, India (2000), and was subsequently held in Mumbai, India (2002), Kanpur, India (2004), Hyderabad, India (2007), Wuhan, China (2009), New Delhi, India (2010), Hong Kong (2011), Vaddeswaram, India (2012), Nanjing, China (2013), United Kingdom (2014), Taiwan (2015), Poland (2016), Queensland, Australia (2017), Lisbon, Portugal (2018), Curitiba, Brazil (2019), and Bangalore, India (2021).

## Journal of Vibration Engineering & Technologies

[Editorial board](#) [Aims & scope](#) [Journal updates](#)

The Journal of Vibration Engineering Technologies (JVET) provides a forum for the rapid publication of original research in the field of vibration engineering. The scope of the journal includes vibration phenomena associated with mechanical, aerospace, structural — [show all](#)

# Why

Please put logo of your Local Chapter into the slide master.

- Describe why it is beneficial to organize the UNISEC events
  - At the moment the space sector is at its infancy in Nepal. I think we will have sufficient preparations and work force to stand shoulder to shoulder with other emerging nations, and invite them to Nepal for exchange of ideas.
  - National discourse on space agency
  - For UNISEC community – best conference ever
  - For the world – a trip to Nepal

# What

Please put logo of your Local Chapter into the slide master.

- What events will you organize?
  - Nano-satellite symposium
  - Mission Idea Contest
  - UNISEC-Global Meeting
- Side events? Workshop on responsible utilization of space, poster presentation and competition
- Training session before/after? – Recognition of contributions
- Other attractive plan? --- Trekking/mountain bike routes arranged for delegates

# How

Please put logo of your Local Chapter into the slide master.

- The conference expenses will be covered by what?
  - Registration fees --- All meals and excursions
  - Exhibition (sponsor) fees – Platinum, gold and silver sponsors
  - Government support – Co-organized with Ministries in Nepal
  - National Instruments, Siemens, etc.
  - Local universities will chip in to send participants
- The conference preparation and operation will be initiated by whom (or which organization)?
  - Aerospace faculty, Institute of Engineering Pulchowk, Tribhuvan University

# How many, How much (not adjusted)

Please put logo of your Local Chapter into the slide master.

- How many participants do you expect?
  - 100 presenters
  - 100 general attendees
- How much expenses do you expect to organize the events?
  - None
  - Meals, tea/coffee -- \$25 per day per person
  - Conference Staff -- Faculty member and students in equal ratio
  - Transportation -- Local accommodation and hospitality for keynotes paid by us.
  - Web creation and operation – We'll do it
  - Conference kits (bag, program, etc) -- \$20 per person
- How much expenses should participants expect to attend the events?
  - Accommodation -- \$80 per night B&B in a 5-star hotel and \$40 per night in others hotels
  - Transportation (from the airport, from hotel to the venue) – Arranged by the hotel
  - Daily expenses -- \$15 per day
  - Registration fees -- \$80 for Nepali participants, and \$300 for international participants
  - (Airfare) – Under \$1000 per person to Tribhuvan International Airport

# How many, How much (not adjusted)

Please put logo of your Local Chapter into the slide master.

# Others (optional)

Please put logo of your Local Chapter into the slide master.

- Workshops on satellite remote sensing, with organizations like ICIMOD or WWF
- Attraction in your region –
  - **8<sup>th</sup> best place to travel in 2022 (Lonely Planet)**
