

Opening Remarks 1st Virtual UNISEC-Global Meeting

September 12, 2020

Rei Kawashima, UNISEC-Global

Discussion topics

- The "raison d'être" of the UNISEC-Global (UNISEC-Global: global university space engineering consortium)
- How can we contribute to making the world better in such an unstable environment with the pandemic, climate change, etc...
- How can we realize the Vision 2030-All?

VISION 2030-ALL

*“By the end of **2030**, let’s create a world where university students can participate in practical space projects in **all** countries.”*

UNISEC-Global

19 Local Chapters,

more than 160 universities joined.

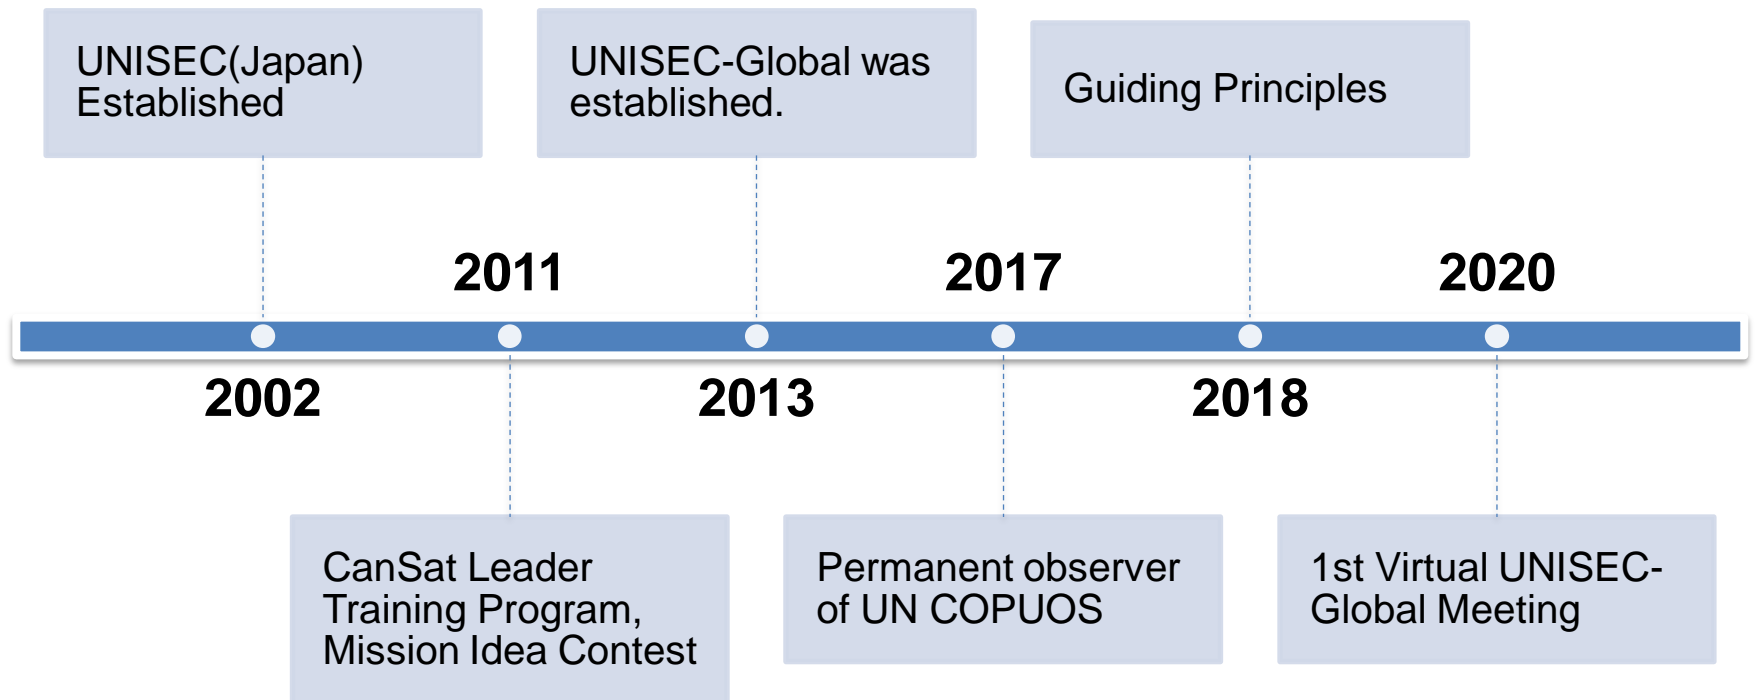

– UNISEC-Thailand is in the process of approval.

Points of Contact in
54 countries/ regions

Local Chapter:
2 or more than 2
universities where
professor(s) and
student(s) work
together towards
practical space
project.

History of UNISEC-Global

UNISEC-Global History of Activities

| Year/Activity | CLTP <small>Cansat Leader Training Program</small>  | DMC/DDC  | MIC  | Nano-satellite Symposium  | UNISEC-Global Meeting  |
|---|--|--|---|---|--|
| 2010 | | | | 1 st | |
| 2011 | 1 st and 2 nd | | 1 st | 2 nd and 3 rd | |
| 2012 | 3 rd | | 2 nd | 4 th | |
| 2013 | 4th | | Pre 3rd | 5th | 1st (Japan) |
| 2014 | 5 th | | 3 rd | - | 2 nd (Japan) |
| 2015  | 6 th | | Pre 4 th | 6 th (ISTS30) | 3 rd (Japan) |
| 2016 | 7 th | 1 st | 4 th | 7 th | 4 th (Bulgaria) |
| 2017 | 8 th | 2 nd | Pre 5 th | 8 th (ISTS31) | 5 th (Italy) |
| 2018 | 9 th | | 5 th | - | 6 th (France) |
| 2019 | 10 th | | 6 th | 9 th (ISTS32) | 7 th (Japan) |
| 2020 | Postpone | | Postpone | Postpone | ? |
| 2021 | 11 th | | 7 th | 10 th (ISTS33)? | |

UNISEC-JAPAN

UNISEC-GLOBAL

Activity Plan with COVID19

- (Almost) Monthly Virtual Meeting
 - Smooth Communication
 - Exchange information/knowledge/ideas
 - Constructive discussion
- Mission Idea Contest
 - Deep Space Exploration with nano/micro satellites
 - Others (under discussion)
- Support UNISEC-Global Project (by recognition)
- New membership – Corporate membership
- Guiding Principles Translation project
- Stay Positive project (Student representatives)

Virtual activities

- Online Space Job Fair
 - Dec 5, 2020 in Japan
- Online Exhibition/Market for pico/nano/micro satellite
- Online Space Engineering Course
- Online training course
- Online gathering for project planning
