A close-up photograph of several hands stacked on top of each other in a huddle. The hands belong to people wearing light-colored, long-sleeved shirts. One person on the left is wearing a dark watch with a brown strap. Another person on the right is wearing a dark watch with a black strap. The background is a plain, light-colored wall. The image is partially covered by a dark grey diagonal overlay on the left side, where the text is located.
