SEE Benefits for Students

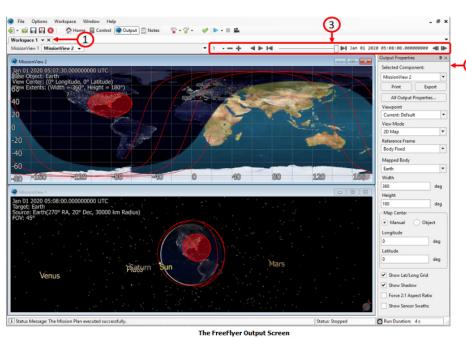

- Modeling and Simulation Experience with the best technologies, tools and methods
- A better **Understanding** of massively distributed, interdisciplinary teams
- A memorable interactive
 Problem Solving experience
- Stronger professional
 Networks, Resources,
 Credibility and Visibility in the job market

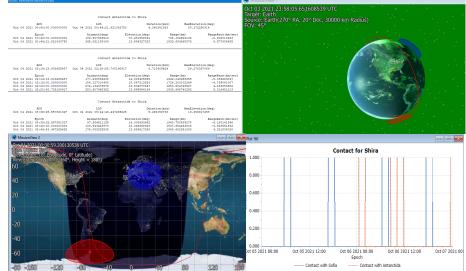

FreeFlyer® Training

FreeFlyer® Training for Lecturers

Designing Mission Plans and Satelite Comminications students work by using FreeFlyer®

Plan for 2024-25 and beyond

- Attracting more universities as active members
- Supporting the evolution of the Bulgarian National Space Program
- Supporting the growth of Aerospace Engineering University Programs
- Inspiring students for scientific work
- Involving students in practical aerospace projects
- Attracting funding from companies
